WHY DO I NEED ASCENT?

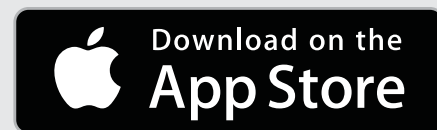

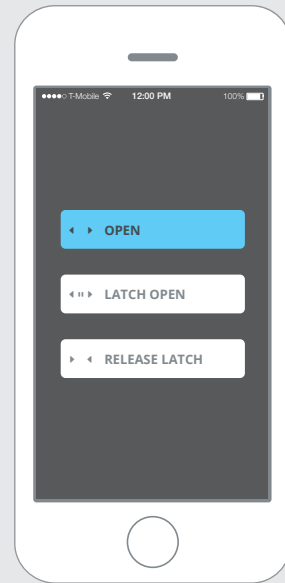

Never interrupt your party again. Provide instructions for access in the invitation, so as guests arrive they can **let themselves in**.

Grant secure access to visitors from **halfway around the world** with ease, using any computer, tablet, or phone.

ASCENT IS VERSATILE!

Get the app for your smartphone and make controlling your device a breeze!

⚠ CAUTION!

THIS IS NOT A SAFETY DEVICE. REVERSE DEVICES SHOULD ALWAYS BE USED. **NEVER** USE WITHOUT AN UNOBSTRUCTED VIEW OF GATE/DOOR.

ASCENT IS YOUR BEST CHOICE!

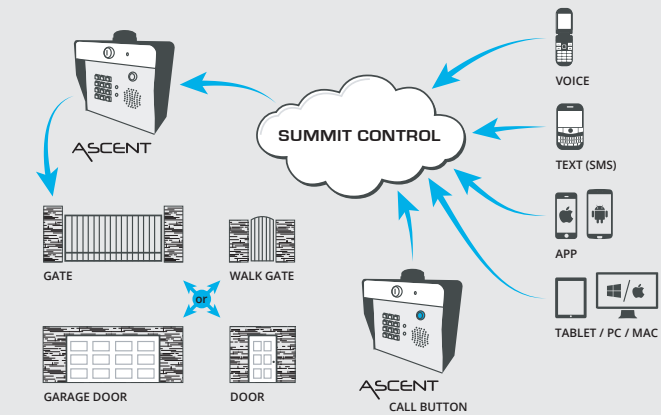

It's no comparison! **Ascent** gives you the most feature-rich solution—more than anything else on the market.
