

# FIRE ACCESS BOXES

15 SERIES

QUICK-ACCESS STATIONS FOR FIRST RESPONDERS

## FEATURES

- Galvanized-steel construction
- Highly visible bright-red powder-coated finish
- Knox lock, padlock, and cable-release models

## MULTIPLE LOCK STYLES

Choose from three different opening mechanisms to fit your needs and the needs of the first responders in your community.

## DURABLE AND EASY TO SPOT

Made from tough steel and powder coated in bright red, these boxes will last and will be visible and easy to locate in an emergency.
